

Potential Supplier Questionnaire
Sprays, Solutions and Surface Wipes

Life Sciences Hub Wales Ltd is not an authority on regulatory requirements for the supply of products to the health sector. Buyers are still required to adhere to regulatory requirements: [Gov.uk/guidance](https://www.gov.uk/guidance). Our role is to obtain information on behalf of buyers across Wales to accelerate potential supply opportunities.

Product List	What Products are you able to provide
Product Claims	Please detail the claims that you are making for these products
Regulatory Legislation	State which legislation these devices are regulated under. Eg: MDD, MDR, PPE, Biocide or medicinal product. Note that some may be dually regulated under PPE and MDD/MDR
